MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

FROM: Chief, Interdepartmental Affairs Staff, OPP

SUBJECT: NSC Meeting, 16 November 1981 []

25X1

1. We just received word from the NSC Staff that today's NSC meeting will have two agenda items:

--Central America

--OAU Peacekeeping Organization for Chad. []

25X1

2. Dewey Clarridge sent you the latest Central America - Cuba paper over the weekend with a short note indicating the changes. I included a copy in this package. []

25X1

3. I have pulled together a variety of recent intelligence articles from the PDB and State Morning Summary on the OAU/Chad issue. Also, included is a copy of DDO's writeup intended for tomorrow's breakfast with Haig. Finally, NFAC and the NIO/AF provided brief talking points on the situation in Chad. []

4. ~~It is not clear what direction today's discussion of Chad will take.~~ Current reporting indicates that the Peacekeeping Organization is gradually taking shape. Of concern, apparently, is Habre's likely response to efforts to restrain him. []

*Just received
State/DO
paper on
assistance to
PKO - advocates
immediate aid
to PKO. (Feb 8)*
